COMMITTEE OF EXPORT AND INDUSTRIAL
DEVELOPMENT

PACEID is coordinated under the Office of the President and is specifically charged with four key drivers of exports

1. Improving specific export infrastructure, such as border facilities and laboratories etc.
2. Strengthening export laws, policies and regulations to ensure standards, compliance and conformity with international trade standards.
3. Building an export credit finance scheme, to help exporters manage risk and foreign exchange issues.
4. New market approaches, to increase the presence of Uganda's products and services in the different export markets.
